Do you currently receive services at UCP of Eastern CT?

If Yes, what program?

*Membership Fee must be included with the membership application.  
 No services will be rendered with a member discount until all application materials have been received.*

## ATLAS Individualized Demonstrations

We want you to know what your assistive technology equipment options are, and to be comfortable with them. Our demonstration center is available whether you are in need of AT yourself, or if it is for a family member or client. Learn about the equipment, try it out, and see what works best for you before you commit to buy.

## ATLAS Individualized Training Sessions

Do you have a software program, app, tablet, AAC Device or piece of computer hardware and need help exploring it? We can help! From purchase to set up, our ATs can provide the one-on-one support you need to learn how to maximize your potential with assistive technology.

Individualized trainings are intended for people who currently own a piece of technology and need support in learning how to use it.

## ATLAS Lending Library

With more than 250 items, the ATLAS Lending Library lets you try it before you buy it! Come in, browse the technology and sign it out for up to 4 weeks. Text to speech for reading accessibility, speech to text software, communication devices for communication independence, computer access adaptations, and more.

Devices are available in the following categories:

- Daily life and independence
- Augmentative communication
- Telecommunication
- Vision and hearing
- Learning and development
- Computer access
- Switches
- Memory and organization
- Recreation and leisure

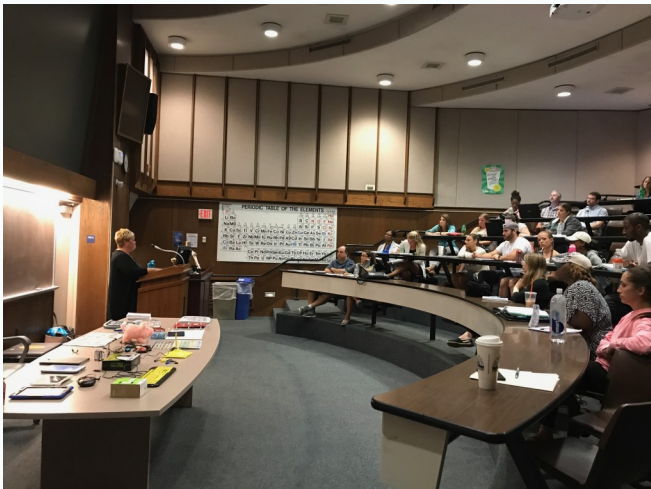

## ATLAS Service Descriptions

### ATLAS AT Presentation

ATLAS AT Presentation covers a broad range of devices, including equipment and software that can assist in:

- Daily life and independence
- Augmentative communication
- Telecommunication
- Vision and hearing
- Learning and development
- Computer access
- Switches
- Memory and organization
- Recreation and leisure

AT Presentations are an excellent choice for Professional Development!

### ATLAS Suitcase Demonstrations

With more than 250 items, the ATLAS Lending Library Suitcase brings assorted technology and adaptive tools to you and offers demonstrations of each item. This allows users to see various categories of technology that exist and their uses. Each Suitcase Demo lasts approximately 3 hours with time allotted for attendees to touch and try each item in the suitcase, technology, and independent living tools.

Invite an AT Specialist to come to your school or district.

### Suitcase DEMO Packages

**Hourly (minimum 3 hours)** This package is used in one day and allows your staff to sit, discover, learn and try Assistive Technology & Tools.

**12 Hours** This package is spread over two days and allows your staff to sit, discover, learn and try Assistive Technology & Tools.

**24 hours** This package is spread over three or more days and allows your staff to sit, discover, learn and try Assistive Technology & Tools.
