Celebrating 70 years

UNITED CEREBRAL PALSY of Eastern Connecticut was founded in 1949 by a dedicated group of local parents who were committed to develop supports and programs for their children with Cerebral Palsy. These parents hoped for a better future for individuals with disabilities. Today, we proudly serve people of ALL disabilities with a wide range of person-centered supports, across all ages and stages of their life.

Make a difference in the lives of people with disabilities!
